“ I will never forget the wonderful times we would sit in my living room and laugh about all kinds of things. Your sense of humor was the best. I am proud that I could be counted as a friend. I wish I had made more time to come see you and hear about your latest fishing trip. I remember the last time I saw you, you told me that you had spent the day fishing. You were so happy. This is how I choose to remember you. I pray that you are better. Please save a space for me in Heaven. When it's my turn, I hope we can go fishing up there. I will always love you my friend.
